Mendel, Finca Remota 2007 San Carlos

21 Sep 2010 by JR

[\[Previous\]](#) [\[Next\]](#)

From the Altamira subregion of San Carlos in Mendoza. (There is also a San Carlos in Salta.) Rhubarb, beetroot, dry tannins with great grip and length.

Interesting and beautifully aromatic. Needs time still, but Malbec doesn't get much better than this. (RH)
